

Dreaming of Alma Mater, Down on the Eastern Shore, Dreaming of pals and friendships, Memories forevermore.

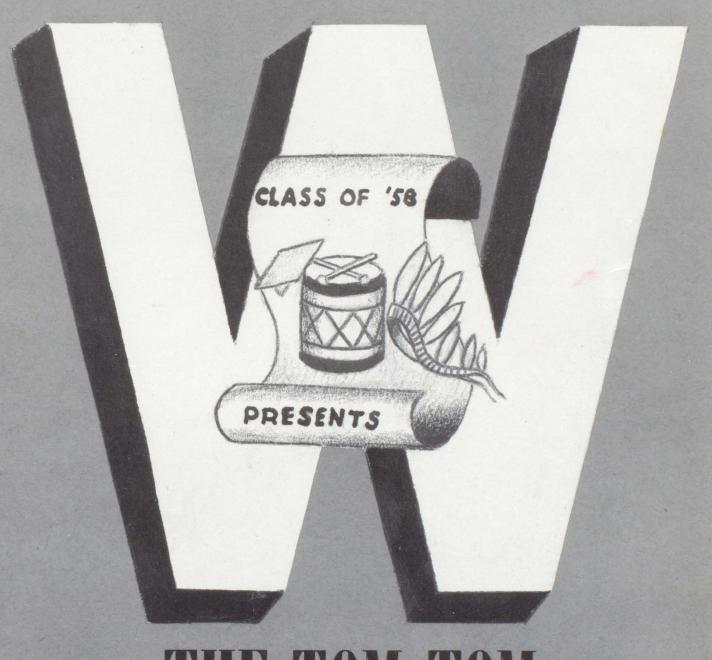

Alma Mater, Alma Mater, I love you. Paradise forever lies 'neath skies of blue. Deep in my heart there's a longing, Just for the sight of you; I know you're always waiting, I know you're always true.

In the sunshine or in shadow ever new, Alma Mater, Alma Mater, I love you.

SENIORS

CLASS HISTORY

The Class of 1958, after five years together, fondly review our happy experiences.

Each of us, as a Sub-Freshman, was eager to meet the challenge of his high school career. We wanted to "get in the swing" of our new surroundings. Elections were held in the homerooms for representatives to the Student Council, Red Cross, and WI HI NEWS. Twenty-four "subs" sang in the operetta "College Days." Our representatives in the May Court were Connie Cooper, Linda Curtiss, and Kaye Wolf.

The next year with the division of the school into the Junior High and Senior High, we could not help but realize the importance of our work and the responsibility of our leadership as the "seniors" of the Junior High. The class diligently tackled the job of creating a Student Council constitution and elected Michael Bloxham President. Our other officers were Russell Smith, First Vice-President; and Sue Stein, Second Vice-President. The Alma Mater was written by Janice Hearn, and the school song, by Anne Johnson. At the completion of our Freshman year, awards were presented on Honor Day to the students who had been outstanding in various aspects of school life.

Sophomores! A new and beautiful school! Also underclassmen again! We had many adjustments to make and started by electing our representatives, joining clubs, participating in sports, and serving on committees. The Sophomore Leap Year Dance was well attended. Linda Curtiss represented our class in the Winter Carnival. May Court attendants were Judy Bozman, Gail Curtiss, and Kaye Wolf.

How important we felt to be Juniors! In rapid succession various memorable events followed. The elected Junior Class Officers were Rocky Burnett, President; Michael Bloxham, Vice-President; Judy Bozman, Secretary; and Frank Lewis, Treasurer. The Student Council officers from our class included Michael Bloxham, Second Vice-President; and Anne Skirven, Secretary-Treasurer.

The successful presentation of "Mother Is a Freshman" as the Junior Class Play was the result of hard work by the cast, directors, and committees. Judy Bozman represented us in the Winter Carnival Court. Everyone who attended had a marvelous time at the Junior Dance.

We honored the Seniors at the Junior-Senior Banquet, realizing that we would assume the position as top ranking class the following year. The May Court attendants from our class were Judy Bozman, Connie Cooper, and Judy Rayne. Sally Thornton was chosen by the American Field Service to visit England as our summer exchange student.

The wonderful last year as students of Wi Hi went by all too quickly. Elections began with those of Senior Officers: President, Frank Lewis; Vice-President, Steve Cooper; Secretary, Linda Curtiss; Treasurer, Betsy Culver; and Historian, Gail Curtiss. The position of Wi Hi News Editor was filled by Noel Farmer. The Tom Tom staff was ably headed by its editor, Susan Howard, and her co-workers: Anne Johnson, assistant editor; Diana Chambers, associate assistant editor; and S. J. Disharoon, business manager.

Michael Bloxham again served us as a capable Student Council President. The First Vice-President, Rocky Burnett, organized the monitor system and the assembly programs. We were also proud to have Anne Skirven as president of the Lower Shore Student Council.

It was an honor to have as our exchange student, Leila Lindfors, from Finland. We will always remember her as a fine ambassador of her country. Leila reigned as Queen of the Winter Carnival.

Many deserved credit for helping to make the Senior Class Play, "Gown of Glory," a true success. The four top winners of a current events test, Donald Davis, Frank Lewis, Connie Cooper, and Bruce Downes, were chosen to attend the Herald Tribune Forum in New York. The entire class spent an enjoyable, rainy day visiting the Maryland legislature in Annapolis.

The Junior-Senior Banquet reminded us that we would soon be leaving our high school. We will take with us our cherished memories of the May Dance, the Senior Awards, and especially the Prom. Baccalaureate and Commencement brought our wonderful high school years to a close.

THANKS FOR THE MEMORIES, WI HI

Thanks for the memories—
Of classes we claimed to hate,
Of lessons we skipped for a date,
Of tons of books,
Of hungry looks,
'Cause lunchtime always seemed late,
--Oh, thank you, so much!

Thanks for the memories—Of Student Council elections,
The AFS collections,
The numerous falls
From wax in the halls
For General Woodcock's inspections,
—Oh, thank you, so much!

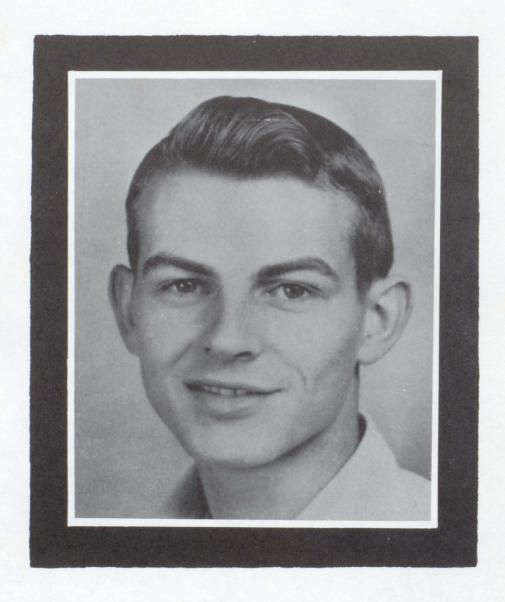

Thanks for the memories—Of sniffles, coughs, and sneezes,
We get when the breezeway freezes,
The sandy lawn,
Everyone's yawn,
And the cheerleaders with their kneeses,
—Oh, thank you, so much!

Thanks for the memories-Of term papers we'd write,
Homework far into the night,
Committee meetings
With everyone eating
All the food in sight,
--Oh, thank you, so much!

Thanks for the memories-Of the Senior Prom in the spring,
The class song we would sing,
May Queens' crowns,
Caps and gowns,
Commencement's one last fling,
--We thank you so much!

NEW CLASS MEETS NEW PRINCIPAL

At the first assembly of the new school year, Mike Bloxham, Rocky Burnett, and Mrs. Samuel Graham joined Mr. George Corddry, the new principal, in welcoming the incoming class of sophomores to Wicomico Senior High School. Since they had been among the first to meet Mr. Corddry, the sophomores enjoyed knowing one person in their new school whom even the upperclassmen hadn't yet met. Mr. Corddry, the former principal of Aberdeen High School, replaced Mr. William B. Jones who was Wi Hi's principal for nine years.

ORGANIZATIONS

THE WICOMICO SENIOR HIGH SCHOOL BAND

Anyone who has ever attended Wi Hi has definitely heard and seen the band. When they aren't performing, they are practicing.

Football games just wouldn't be the same without the band, which plays in the stands during the game and on the field at half time. At pep rallies you can hear the band playing for all they are worth while the student body cheers.

Radio and television give the public a chance to enjoy our band, and in February outstanding band members were chosen to represent Wi Hi at the annual Maryland All-State Band in Hagerstown. In April our band presented its annual concert, featuring the "Poet and Peasant Overture," "Finlandia," and many other selections. April also found the band in College Park for the Maryland State Band Festival, where bands from all over the state make appearances and are graded on their performances.

The band's activities continue into the summer when it gives eight concerts in city park. This year the band performed under the capable leadership of Mr. Wallace Duyer, the new director.

THE CONCERT CHOIR

This year the Concert Choir under the direction of Miss Jean B. Wooten presented many performances, both for the school and for the public. It gave its first Winter Concert to raise money for choir robes which the Kiwanis Club helped to finance.

Music assemblies this year included a Christmas program, a program by Dr. Harry Wilson, and one that stressed words rather than music.

The entire school points with pride to the Concert Choir.

AUDUBON SOCIETY

The Wicomico Senior High Audubon Society is a junior branch of the National Association of Audubon Societies, the largest conservation group in the world.

The purpose of the club is to further the understanding of the problems of conservation in this and other areas of the United States.

The various projects of the club are: a nature trail, a weather station, and field trips to local spots of interest such as the Holly Block, the Choptank River to see the swans, and a mink farm.

WI HI DANCE BAND

Fifteen students and Mr. Wallace Duyer compose the Wi Hi Dance Band, a combo which produces outstanding swing music. An important date for the group was February 14, when they played for a sock hop following that evening's basketball game. They have also performed for the Lions' Club, before the student body at an assembly, and on "The Eastern Shore Today" over WBOC-TV.

The students enjoy the group and urge them to continue their endeavors.

FUTURE NURSES OF AMERICA

The Future Nurses of America Club is open to juniors and seniors who are interested in nursing. With the help of Miss Farlow, their faculty adviser, and nurses from Peninsula General Hospital, they investigate various opportunities open to members of the profession.

Projects of the club included visits to hospitals, the annual installation of officers, and a three-year scholarship at Peninsula General Hospital for a club member.

Money for the scholarship was raised through dues, serving at banquets, and working in the concession stand at basketball games.

FUTURE TEACHERS OF AMERICA

The Wicomico Senior High School Chapter of the Future Teachers of America had a very active year. Over seventy students attended the first meeting, after which it became necessary to limit membership by the following qualifications: a C+average and a sincere interest in teaching.

Enthusiasm ran high all year. The delegate to the Westminister MAFTA Convention, Louise Parsons, brought

back several new ideas to improve the monthly meetings.

Activities included: serving at banquets, operating the concession stand at basketball games, holding a sock hop, sponsoring an assembly, providing a scholarship for a graduating member, and the installation of officers. Mrs. Dick, the sponsor, was very helpful in maintaining spirit and assisting the officers.

FUTURE HOMEMAKERS OF AMERICA

"This is going to be a beautiful dress!"

The big event of the year for the Wicomico chapter of the Future Homemakers of America was the regional meeting which was held in the fall at Wicomico Senior High School. Joanna Cato was elected then to the office of regional chairman for the following year.

For the Christmas holidays, the club made corsages which were sent to the patients at Deer's Head State Hos-

pital. The girls also made holiday earrings for themselves.

During the school year, delegates from Wi Hi attended the state meeting held in April in Baltimore and a spring regional meeting in Ocean City. Several girls went to Kansas City, Missouri, during the summer to attend the national meeting.

The Wicomico FFA Chapter carried on its usual full slate of activities during the school year and the summer vacation. This year the Wicomico Chapter received the highest award attainable in FFA, the National Gold Award, marking the first year that this award has been presented to a Maryland chapter.

The Wicomico Chapter won for the second year the State Safety Campaign which was initiated two years ago. Mr. Cullen and one other chapter delegate represented Maryland at the National Safety Congress in Chicago.

The state judging contests in June found the Wicomico Chapter winning the state vegetable judging contest for the seventh consecutive year, extending an all-time state record. The Public Speaking Contest was won by a Wicomico member. About twenty boys participated in the various contests.

The chapter also had a Vice-President in the state organization, while Alex Dykes and Donald Davis became President and Secretary, respectively, of the Eastern Shore Federation.

Not to be omitted are the farming endeavors of the members. From the production of agricultural goods the boys had a total income in excess of \$36,000.

FFA members pluck chickens as a part of their annual project.

Mr. Cullen confers with club leaders about a proposed program.

THE LIBRARY ASSISTANTS

The Library Assistants have been busy this year with the many improvements which are in evidence in the library. A reading lounge for the pleasure of our students and teachers has been provided. The studying facilities have also been expanded.

Through various projects money was raised to buy a film strip preview, record cases, and other items to help the librarian and her assistants run the library more efficiently.

Some of the members attended the Library Club Convention held every spring on the Western Shore. They were accompanied by their faculty advisor, Mrs. Branch Phillips.

Through 'La Jeunesse" and film strips, they learned a good deal more about France and its language. The outstanding event of the year was the party given annually by the French Club for the first year students in the late spring.

THE STUDENT COUNCIL COMPLETES ANOTHER BUSY YEAR

The Student Council welcomed in the new school year with its first meeting on September 13, led by Michael Bloxham, President; George Burnett, 1st Vice-President; Bob Caldwell, 2nd Vice-President; and Cynthia Elliott, Secretary-Treasurer. The faculty advisor was Mr. Robert Eckert.

Each year the council strives to promote the interests of the school, help improve teacher-student relationships, and provide a better school life through organized activities. In working toward these goals, several major projects were undertaken. Among these were a clean-up campaign, the operation of the concession stand at football games, the establishment of an efficient monitor system, and the raising of the money to bring another foreign exchange student to Wi Hi. A number of dances were held for the student body, including the annual Winter Carnival and the May Dance.

Wicomico Senior High School participated in the Lower Shore Association of Student Councils and was represented at both the national and state student council conventions.

One AFS committee reports on the project.

THE WILLIEWS

WICOMICO SENIOR HIGH SCHOOL

News Staff Makes News

"The Wi-Hi News" was published eight times during the school year, and kept Wi-Hi students and faculty informed of happenings related to the school.

Many think the actual newspaper story is fascinating. Here's how the "Wi-Hi News" staff succeeds in publishing the school newspaper: First, the editors assign the available stories, and the journalism class decides upon what pictures and illustrations to feature in that issue, as well as which students to honor by a place in the "Hall of Fame." Then the reporters gather the material and write the articles.

After all the stories have been carefully copyread, they are typed and sent to the printer. He returns the "galley proofs," which are checked by the proofreading committee for possible printing errors. The corrected proofs are returned, and soon the "Wi-Hi News" is available to all the interested Wi-Hi students.

Even for those who are not planning careers in the journalism field, helping to publish the "Wi-Hi News" is a worthwhile, interesting, and enjoyable job.

MU ALPHA THETA

The first charter chapter of Mu Alpha Theta in Maryland elected as its officers this year: Frank Lewis, President; Susan Howard, Vice-President; Anne Johnson, Corresponding Secretary; and Diana

Chambers, Recording Secretary.

The purpose of this national high school and junior college mathematics club is to stimulate deeper and more effective interest in the field of mathematics. Members are elected on the basis of superior achievement in the field and must have had five semesters of mathematics and maintain a B +average in the subject. Other students may become associate members by showing special interest. The club investigates interesting sidelines of math and finds the study interesting as well as informative.

The club was represented in several mathematics contests during the year.

THE STAG

The Stag is the only known mathematics publication in the United States which is edited by high school students. The paper was an outgrowth of a round robin letter in which Wicomico High School participated.

The newspaper, published four times a year; is given free of charge to all interested students. Rosalie Sherwell was elected by members of the junior mathematics classes to serve as editor with students from the various classes making up her staff.

THE SENIOR CLASS PRESENTS

"GOWN OF GLORY"

On December 5 and 6 in the Junior High School Auditorium, the Senior Class presented "Gown of Glory," a three-act play by Irving Phillips based upon a book by Agnes Sligh Turnball.

The play concerns the trials and tribulations of a Presbyterian minister, David Lyall (Bob Taylor), and his wife

Mary (Susan Howard) as they rear their three children in the Ladykirk parish at the turn of the century.

Mrs. Lyall is upset because her husband has never been called to a larger church, and nothing the minister does seems to please the Committee for "the protection of the minister's family's morals." First there is Reverend Lyall's friendship with Mr. Dilling (Joe Buracker), the local "good for nothing," and then Lucy Lyall (Susan Dashiell) falls in love with Ninian Ross (S. J. Disharoon), a rich playboy from Pittsburg, whom she mistook for a book salesman. Jeremy Lyall (Mike Kitzmiller) wants to give up his father's dream for him of becoming a minister and marry Peggy MacDonald (Gail Curtiss). Faith (Susan Yates) is twenty-four and unhappy because she sees no prospect for marriage in Ladykirk except John Harvey (Layne Kerley), a boring country bumpkin.

For awhile the situation worsens. There is no word from Ninian for months so Lucy runs away to find him. His mother is greatly opposed to their plans of marriage, having other plans for him in society. An expected offer from the Moreswell parish fails to materialize, and the family never seems to find the money for Mrs. Lyall's long awaited

kitchen cabinet.

Everything works out in the end, however, as Ninian and Lucy are happily reunited with the blessings of Mr. and Mrs. Ross (Jerome Sterling and Joan Manzione). Mr. Dilling reforms because he plans to marry a Christian woman, (Peggy Johannes), Faith meets her "Prince Charming" (Franklin Cooper), and Mrs. Lyall gets her kitchen cabinet.

Bill Bennett played Joshiah Hunt, one of the town characters, while Tom Peterson, Lin Turner, Rosalie Farlow, Joan Wharton, and John Cotton comprised "the Committee." The part of Mrs. Jenkins, the Lyall's amusing house

guest, was taken by Diane Campbell.

The play was directed by Miss Nelle Ballentine. Stage Director was Bob Fisher; Connie Johnson and Marian Pollitt were prompters. The cast owes much of its success to the work of the committees and their faculty advisors, Mr. Guiliano, Mrs. Dick, Miss Matthews, Miss Helen Warren, Mrs. Taylor, Mrs. Scott, Mr. Purnell, Mr. Giffin, and Mr. Roche.

Behind the scenes committees, such as Make-up, are important to the success of a play.

In the fantasy of a Winter Wonderland our exchange student from Finland, Leila Lindfors, was crowned the 1958 Winter Carnival Queen by Mike Bloxham, President of the Student Council. Composing her court were Joyce Murray, the junior representative, escorted by Steve Cooper; and Susan Briele, the sophomore representative, escorted by John Porter.

Those attending enjoyed music by the Morioles from 8:00 to 11:00, the refreshments prepared by Judy Jones and her committee, and the decorations by a committee headed by Judy Niblett. Entertainment included a tap number by Connie Kay Johnson, Christie Williams, and Diane Campbell; and selections by a boys' sextet.

THE JUNIOR CLASS PRESENTS

"ONIONS IN THE STEW"

"Onions in the Stew," a three-act light comedy by Betty MacDonald, was presented by the junior class on March 27 and 28 in the Junior High School auditorium.

The play concerns the experiences of the MacDonald family in their newly acquired home on Vashon Island off the Puget Sound. The reactions toward the move from Seattle are mixed. The home originally is the dream of Betty (Connie Rodbell) and her husband (Ed Banks) is skeptical while the girls (Nancy Emerson and Louise Parsons) are dead set against it.

Problems concerning boy friends, a snow bound winter, bad plumbing, and various neighbors fill the family's life and, while they don't realize it, enrich it.

Other members of the cast of twenty-six included Bob Caldwell, Bruce Bowers, John Porter, Jane Ellen Bounds, Gwen Matlack, Sylvia Brittingham, Sandra White, Kay Webster, Christie Carter, Joanna Cato, Jack Levering, Tom Taylor, John Routenberg, Marjorie Pollitt, Margaret Ann Bethards, Barry Mears, Albert Parks, Ebba Christensen, and two young children, Sharon Brittingham and Paul Rodbell.

John seems to be Louise's most pressing boy problem.

A full brigade of plumbers is kept busy at the island home.

Moving proves just too exhausting for the unenthusiastic family.

Entertainment for the queen and her court included a monologue by Susan Dashiell, a soft shoe dance by Frances Parker and Donna Kay Bishop, a choral selection from the girls' ensemble, and a solo by Frances Parks. The committees for the dance did their jobs splendidly; the committee chairmen were Vicki Buhr, decorations; Norman Conway, entertainment; Phyllis Morgan, refreshments; and Peggy Mansfield, publicity.

JUNIOR-SENIOR BANQUET

On May 23 after Sandra White led the Lord's Prayer, the juniors and seniors attending the banquet enjoyed an excellent turkey dinner. Following dinner, Ronnie Morgan, President of the Junior Class, welcomed those attending and introduced Bruce Williams, who gave a toast for success and long life to the seniors. Frank Lewis, President of the Senior Class, replied to the toast. The Class Will presented in three parts was then read by Anne Skirven and Bill Nock. Other entertainment for the evening included a duet by Frances Parks and Butch Van Sant and several numbers by a faculty quartet made up of Mrs. Wooten, Mrs. Smith, Mr. Hope, and Mr. Guiliano.

SENIORS HOLD PROM IN "TWILIGHT TIME"

Highlighting the senior social season, the Senior Prom was held on May 16, in a dreamily festive atmosphere of "Twilight Time." The seniors danced from eight to twelve under a ceiling of star-studded, blue spun glass. The dance floor was the lawn of a pillared southern mansion house with a fountain in front. White lattice work and long chains of flowers completed the decorations.

The Lee Paige Orchestra supplied the music for the occasion. Entertainment was presented during the intermission for refreshments and included "Reminiscing" by George Burnett, and two songs, "All the Things You Are," sung by Frank Davis, and "So You Think You've Got Troubles," presented by Ronnie Willey, who accompanied himself on the guitar.

The traditional grand march was led by the class officers and other class leaders. It was climaxed by the singing of the class song, "Never Be Afraid," and the "Alma Mater."

The seniors were feted by their parents at a breakfast and dance held at the Elk's Home following the Prom.

The wonderful evening was over all too soon!

GRADUATES HEAR SERMON

Reverend J. Robert Mackey

Promptly at 8:00 on Sunday, June 1, the graduates in their caps and gowns filed into the auditorium of Wicomico Junior High School for the Union Service. Judy Gray played the traditional music of "Pomp and Circumstance."

Rev. J. Robert Mackey spoke to the seniors "On Beginning Again" and chose as the scripture reading, John 3:1-16. Basing his sermon on the story of Nichodemus, Rev. Mackey stressed Jesus's advice, "Truly, truly, I say to you, unless one is born anew, he cannot see the Kingdom of God." While he said that he did not expect the class to remember what he said, he asked them not to forget that they could, and should, begin anew.

After the benediction, the class walked out, two-by-two, as they had come in.

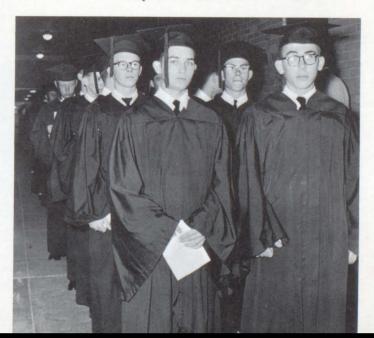

The big moment arrives.

WITH THE ROPES OF THE PAST WE RING THE BELLS OF THE FUTURE

The Class of 1958, gathered together for perhaps the last time, felt a variety of emotions. Every minute of the last days had seemed so very precious and the word "last" was heard many times. "This is my last study hall. . . our last lunch hour. . .my last test, yippee!"

There was an almost frantic rush to live every minute to its fullest for we knew that soon this important part of our life would be a distant memory.

Yet we looked forward to the future with hope and faith, as well as some trepidation. We had chosen our motto: "With the ropes of the past, we ring the bells of the future" and we knew that the days we had spent at Wi-Hi had made these ropes strong.

As we step into that future--whether it be college, the armed forces, marriage, or our chosen vocation--we shall carry with us fond memories of our school, our teachers, our classmates, and most of all--the many good times we've had at Wi-Hi.

Students enjoy practicing for Commencement.

HEARLD TRIBUNE FORUM THE MATH TEAM

On March 22, Don Davis, Frank Lewis, Connie Cooper, and Bruce Downes, accompanied by Mr. and Mrs. Robert Eckert, attended the HERALD TRIBUNE Forum in New York. The four seniors were chosen from the results of a current events examination given to about 80 senior students.

The group were guests at the Taft Hotel for Saturday night and did some sight-seeing in New York. Expenses for the trip were paid by the P.T.A.

On April 12, the senior math team consisting of Frank Lewis, Anne Johnson, and Susan Howard, and the junior team: John Routenberg, substituting for Rosalie Sherwell, who was ill, John Porter, and Judy Jones, accompanied by Miss Helen Warren went to Temple University in Philadelphia to participate in a math contest. Following the three hour examination, the group saw the Todd AO production of "South Pacific."

The senior team consisted of the winners of the mathematics contest held at Wi Hi and sponsored by the Mathematics Association of America.

From L. to R.: Miss Warren, Frank Lewis, Anne Johnson, Diana Chambers, senior alternate; Susan Howard, Judy Jones, Rosalie Sherwell, John Porter, and John Routenberg, junior alternate.

JUNIORS AND SENIORS ENJOY CAREER DAY

A day full of hearts and minds intent on the future was November 20, 1957, when the third annual Career Conference was held here. The junior and senior classes of the Wicomico County high schools attended Career Day, which was begun at 9:45 by an assembly held in the cafeteria. Mr. Corddry and Mr. Royd Mahaffey, the county superintendent of schools, made the introductory remarks at that time. The keynote speaker was Dr. Earle T. Hawkins, president of Towson State Teachers College.

Hour-long conferences were held both in the morning and and in the afternoon. Each of the students had previously chosen two from the 39 vocations and professions represented, which ranged from accounting to undertaking. Distinguished guests discussed their vocations with the groups and offered information to help them decide on their vocations. Following the second conference, a tea for the guests brought the day to a close.

The Indians, showing expected weakness due to lack of experience, started the season September 21 by losing a hard fought battle with High Point High to the sad tune of 21-0. Next came the Seaford game, from which the Delaware crew walked off with a 23-0 victory.

Still hoping to break the scoring gate, which before was so strongly shut, the Tribe finally hit pay dirt when meeting highly-rated Forest Park of Baltimore; however, they dropped another 25-6. An outbreak of flu in Milford resulted in the cancellation of the next scheduled game.

Showing their first real improvement, the Tribe next met the Laurel Bulldogs but lost 39-0. In mud-happy battle garb, the Tribe took the field as well as the game from Edgewood Hi by the surprising score of 26-0.

The following week the Indians pitched their tepees at Annapolis High where their short-lived victory was all but forgotten as the Panthers from the capital took a one-sided victory 47-0.

For the second time of the season the Indians had a chance to beat their Tom-Toms as the much beaten but hungry Warriors took the last and most coveted game from Cambridge on their home grounds by a 19-0 margin.

A football season, like life itself, is not measured by a 2 win-6 loss record, but by the rules of hard work, good sportsmanship, and the satisfaction of doing one's best as a team.

SECOND ROW: Jim Wilkins, Mayhew Mills, Dunton Wyatt, Perry Smith, Steve Humphreys, Richard Malone, Alan Knowles. THIRD ROW: Ronnie Davis, L. C. Jones, John Ennis, John Beauchamp, Clifton Phillips, Ed Feeney, Mr. Roche.

Coached by Mr. Roche, the soccer team chalked up a record of two wins and eight losses. Due to the flu epidemic and inclement weather, three games were cancelled making the season appear less successful than it actually proved to be. Five heartbreaking games were lost by the slim margin of one point. Next year's team will miss the following seniors: Ronnie Davis, Dunton Wyatt, Jim Wilkins, Ronnie Combs, Don Dennis, and Hugh Gibbons.

PASS—DRIBBLE—DRIVE

Wi-Hi's 1957 hockey team, coached by Miss Mary Morling Troy, ended its sixth season with a record of two wins, four losses, and one tie.

The squaws knocked the lid off the season by defeating Easton 1-0. The other victory was at the expense of Cambridge during another home tiff. Easton struck back winning the second game 3-0. North Dorchester, Seaford, and Laurel also proved too much for the lassies. A scoreless tie was waged with North Dorchester in the final game of the season.

Offensive players, Leslie White and Pat Henderson, aided by Linda Matthews, Pat Hendrickson, and Nancy Maguire, split the scoring honors with two each. Ebba Christensen, Wi-Hi's goalie, displayed her outstanding defensive ability and identified herself creditably. Helping Ebba with the goal tending was Pat Oakley, who did a fine job. Not to be overlooked is the play of fullbacks Linda Insley, Nancy Henderson, and Loudell Insley or halfbacks Sue Stein, Connie Cooper, Judy Cooper, and Joyce Murray. Assisting the team

at all times were student managers, Jean Hall and Dottie Mace.

31 STRAIGHT

They did it again! The Wi-Hi girls' basketball team went undefeated for the second season, closing the record

books with a 31 game winning streak, 19 of these being held over from the 1955-57 seasons.

The sextet's wins included double victories over Mardela, Easton, N. Dorchester, Cambridge, Laurel, and Seaford. The offensive players swished the nets for a total of 459 points compared to the 282 points of their opponents. Practicing on foul shooting paid off for the team, as they made 45% of all free throws. Those on the scoring end were Judy Cooper, Pat Hendrickson, Nancy Maguire, Loudell Insley, Judy Niblett, Nancy Henderson, Jackie Dickerson, Linda Matthews, and Southey White. A large part of the success was due to the stalwart defense of the guards, Captain Sue Stein, Leslie White, Connie Cooper, Jeanne Hopkins, Ebba Christensen, Nancy Emerson, Dottie Mace, Betty Lou Richardson, Gail Reese, and Phyllis Trice.

Seniors leaving their teammates to carry on are Sue Stein, Leslie White, Connie Cooper, Jeanne Hopkins, and Judy Cooper. During the three years in which these girls played, only one setback was handed to the team; that was

by Laurel in 1956. This is the impressive record, 31 victories and 1 loss, of which they can boast.

Supporting the team at all times were managers Jean Hall, Susan Mitchell, Janet Lombardo, Susan Boltz, and Alta Ann Focht. They were always on hand giving reassurance and help to all.

Lettermen for the 1958 season were Sue Stein, Leslie White, Judy Cooper, Ebba Christensen, Nancy Emerson, Pat

Hendrickson, Nancy Maguire, Loudell Insley, and manager Jean Hall.

Wi-Hi will have an experienced team next year as all juniors and sophomores have seen frequent action. The departing graduates wish the future squad all the luck in the world for another undefeated season.

Here's another two points!

INDIANS POST 9-6 RECORD

Coached by Mr. Squires for the second year, the Indians completed a successful basketball season of nine wins and six losses. Worthy of note is the fact that all six defeats were within the five point range, as each game proved to be thrilling down to the last few seconds of play.

The Indians, as Class A champions of the Eastern Shore, advanced to the yearly state tournament at College

Park, where they lost to a very strong Montgomery Blair five.

The outstanding individual effort came by way of Rocky Burnett as he broke the school's single game scoring record by making forty-one points against Stephen Decatur in the final game of the season. The record had been held by Bob Hardiman with thirty-nine points in one game. Carroll Wheedleton and Russell Smith, although not breaking any records, continually hit in the double figures throughout the season. Not to be over-looked is the stalwart defensive play of Neil LeCompte and David Oursler; for, as we have seen, control of the backboards has determined the outcome of many a game. Over the span of fifteen games, the Indians have outscored their opponents to the tune of 843 to 787.

The seniors leaving the team are Butch Waller, Russell Smith, George Burnett, Carroll Wheedleton, Noel

Farmer, Steve Cooper, and Neil LeCompte.

The score goes up another notch as Smith contributes two.

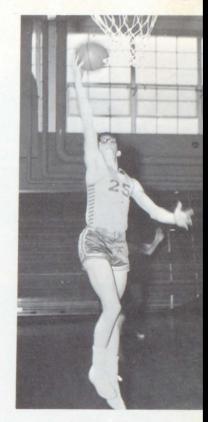

It's in!

JUNIOR VARSITY COMPLETES SUCCESSFUL SEASON

Under the direction of Mr. Roche, the Junior Varsity basketball team ended their season with a record of 9 wins and 2 defeats. The two losses were to Cambridge, whom they defeated in a later game, and to Stephen Decatur. Because of this outstanding record, we are sure that the varsity team they make up next season will be one of

which Wi-Hi will be extremely proud.

Members of the J.V. squad included Alfred Melnik, George Carey, Vaughn Pope, Bob Mark, Fred Distler, Ed Shaver, Ronnie Rayne, and John Porter. Other members who began with the team and later moved up to the varsity were Mike Stein, David Oursler, and Jerry Brittingham.

Best of luck to the '58-'59 varsity squad.

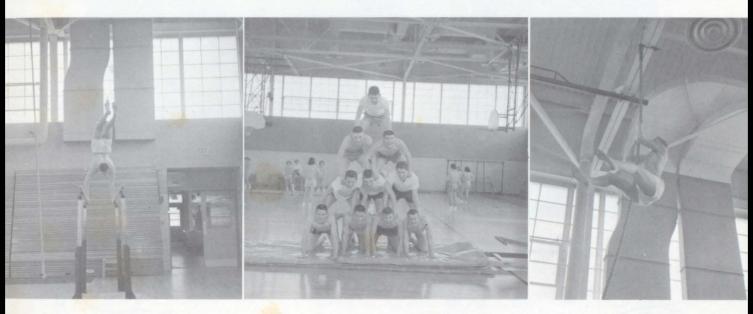

GYMNASTICS

There are many aspects to a school sports program, but one of the least recognized activities that continues throughout all of the regular seasons is our gymnastic program.

Many thanks are in order for the boys who performed their many difficult stunts between halves of our basket-ball games. Much of the credit goes to Coach Knapp. Through his planned program, we hope to develop our sports participation to its full potential.

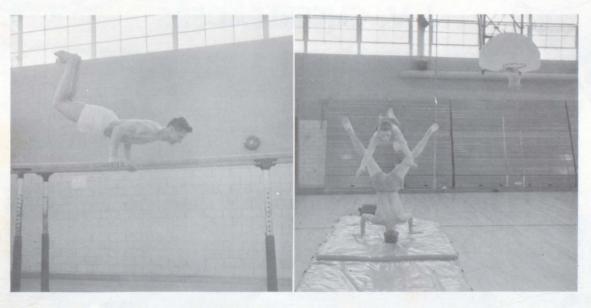

Hard work, planned programs, and proper supervision all contribute to making a good athlete and good citizen. So, for this reason, we sincerely hope that more and better programs will result in the coming years.

Neil LeCompte broke the old pole vault record of 10 feet with an amazing 10.3 feet vault. Bill Oakley broke the out-dated 880 mark of 2:10.5 with his 2:09.5 performance.

VOLLEYBALL TEAM OF 1958

Over it goes!

Besides a rookie coach, the 1958 volleyball team added fifteen inexperienced players to the roster this year.

Miss Jeanne Harless, a newcomer to the faculty at Wi Hi, assumed the responsibility of coaching the lassies. She is to be commended on the fine job she did. Returning players included Beverly Ingersoll, Connie Kay Johnson, Susan Waller, Gwen Matlack, and Carol Ormon.

The local array carried an eight-game schedule. Twin games were waged with North Dorchester, Princess Anne, and Easton; a single contest was played with Cambridge and Mardela. In addition to this, the volleyball team traveled to North Dorchester on May 14 to attend the annual tournament. Teams from the Eastern Shore assemble there every year to improve their playing ability and promote good sportsmanship.

Seniors Beverly Ingersoll, Connie Kay Johnson, Susan Waller, Carol Ormon, and Judy Cooper leave wishing the remaining team the best luck in the future year.

UNSUCCESSFUL SEASON OFFSET BY HEARTY SPIRIT

Despite an unsuccessful season, the golf team enjoyed their practices and matches. The team will lose only two members this year, Mike Kitzmiller and Tom Peterson. The remaining crew should be ready for more successful seasons during the next two years. The team deserves congratulations on its season's efforts and best wishes for the coming season.

UNDEFEATED NO. 4

Under the direction of their new and able coach, Mr. James Mills, the baseball team continued their winning ways by being Wi Hi's fourth undefeated team. The Indians, over a three year span, have won 34 straight games. Their four year record is 58 wins against only three losses. The scores in order were: Milford 8-2; Stephen Decatur 23-0, 7-2; North Dorchester 9-1, 8-1; Laurel 12-0, 1-0; Cambridge 7-4, 1-0; Easton 5-2; Mardela 10-0 8-0.

Throughout the entire season cooperation, teamwork, and most of all the desire to continue winning carried the very talented team a long way. Laurel and Cambridge proved to be the Indians' toughest foes; but exceptionally good pitching and hitting proved to be the deciding factor in each game.

Congratulations to Coach Mills, the players and those concerned with making the most impressive showing of any boys' team during the 57-58 school year.

IN CONCLUSION . . .

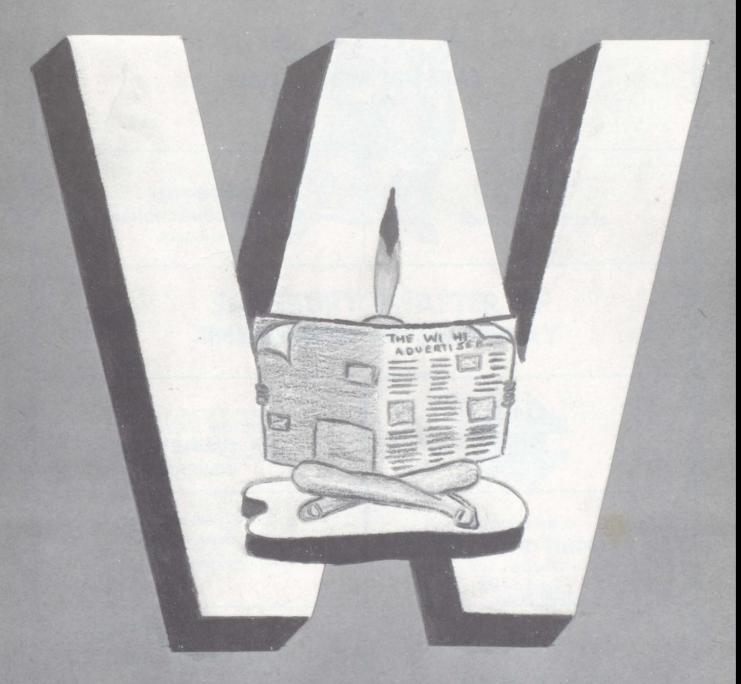

This marks the completion of the 1958 TOM TOM. We hope that in the years to come it will serve as a pleasant reminder of your high school experiences. Our heartfelt thanks are extended to all those who helped in making this book possible.

Commencement marks the beginning of a new and different way of life for each of us, and yet it is the end of an old and familiar routine which has prepared us for the challenge of the future. The past is gone forever, but the future is ours and what we make it. The way will not always be easy; but remembering the sound principles gained at Wi Hi, we shall find success.

We leave Wi Hi with some sadness and many fond memories, wishing next year's staff the best of luck.

Dreaming of Alma Mater,
Down on the Eastern Shore,
Dreaming of pals and friendships,
Memories forevermore.

Alma Mater, Alma Mater, I love you. Paradise forever lies 'neath skies of blue. Deep in my heart there's a longing, Just for the sight of you; I know you're always waiting, I know you're always true.

In the sunshine or in shadow ever new, Alma Mater, Alma Mater, I love you.
